PRINCIPAL TERMS OF THE BONDS

The principal terms of the Bonds are summarized as follows:

Issue Price:	100.00 per cent. of the principal amount of the Bonds
Interest Rate:	The Bonds do not bear any interest
Default Interest:	<p>The Bonds are zero coupon and do not bear interest unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, such unpaid amount shall bear interest at the rate of 1 per cent. per annum (both before and after judgment) until whichever is the earlier of (A) the day on which all sums due in respect of such Bond up to that day are received by or on behalf of the relevant holder, and (B) the day falling seven days after the trustee or the principal agent of the Bonds has notified Bondholders of receipt of all sums due in respect of all the Bonds up to that seventh day (except to the extent that there is failure in the subsequent payment to the relevant holders under these Conditions). If interest is required to be calculated for a period of less than one year, it will be calculated on the basis of a 360-day year consisting of twelve months of 30 days each and, in the case of an incomplete month, the number of days elapsed.</p>
Form and Denomination:	<p>The Bonds are in registered form in the denomination of US\$200,000 and integral multiples of US\$1,000 in excess thereof. Upon issue, the Bonds will be represented by a global certificate registered in the name of a nominee of, and deposited with a common depository for Euroclear Bank SA/NV and Clearstream Banking, S.A.</p>
Status:	<p>The Bonds constitute direct, unconditional, unsubordinated and subject to the Terms and Conditions, unsecured obligations of the Company and shall at all times rank <i>pari passu</i> and without any preference or priority among themselves. The payment obligations of the Company under the Bonds shall, save for such exceptions as may be provided by mandatory provisions of applicable law and subject to the Terms and Conditions, at all times rank at least equally with all of its other present and future unsecured and unsubordinated obligations.</p>

Conversion Right: Subject to and upon compliance with the Terms and Conditions, the conversion right in respect of a Bond may be exercised, at the option of the Bondholder, at any time (subject to any applicable fiscal or other laws or regulations and as provided in the Terms and Conditions) on or after March 4, 2021 up to the close of business (at the place where the certificate evidencing such Bond is deposited for conversion) on the date falling ten days prior to the Maturity Date (both days inclusive) (but, except as provided in the Terms and Conditions, in no event thereafter), or if such Bond shall have been called for redemption by the Company before the Maturity Date, then up to the close of business (at the place aforesaid) on a date no later than ten days (both days inclusive and in the place aforesaid) prior to the date fixed for redemption thereof, or if notice requiring redemption has been given by the Bondholder pursuant to the Terms and Conditions, then up to the close of business (at the place aforesaid) on the day prior to the giving of such notice.

The number of Conversion Shares to be issued on exercise of a conversion right shall be determined by dividing the principal amount of the Bonds to be converted (translated into Hong Kong dollars at the fixed rate of HK\$7.7529 = US\$1.00) by the Conversion Price in effect on the relevant Conversion Date (as defined in the Terms and Conditions).

Conversion Price: The initial Conversion Price is HK\$60.00 per Share.

The Conversion Price will be subject to adjustment for, among other things, consolidation, reclassification or subdivision of Shares, capitalization of profits or reserves, distributions, rights issue of Shares or options over Shares at less than 95 per cent. of the current market price, rights issues of other securities, issues of Shares or other options over Shares at less than 95 per cent. of the current market price, issues of securities or other options over securities at less than 95 per cent. of the current market price, modification of rights of conversion at less than 95 per cent. of the current market price, other offers to Shareholders and other events as described in the Terms and Conditions.

The Conversion Price shall not in any event be reduced to below the nominal value of the Shares as a result of any adjustment under the Terms and Conditions unless under applicable law then in effect the Bonds may be converted at such reduced Conversion Price into legally issued, fully paid and non-assessable Shares.

Adjustment upon Change
of Control

If a Change of Control (as defined in the Terms and Conditions) shall have occurred, the Company shall give notice of that fact to the Bondholders (the “**Change of Control Notice**”) within 14 days after it becomes aware of such Change of Control. Following the giving of a Change of Control Notice (with a copy to the trustee and the principal agent of the Bonds), upon any exercise of conversion rights such that the relevant Conversion Date falls within the period of 30 days following the later of (1) the relevant Change of Control and (2) the date on which the Change of Control Notice is given to the Bondholders (such period, the “**Change of Control Conversion Period**”), the Conversion Price shall be adjusted in accordance with the following formula:

$$\text{NCP} = \text{OCP} / (1 + (\text{CP} \times (c/t))), \text{ where}$$

NCP = the Conversion Price after such adjustment;

OCP = the Conversion Price before such adjustment. For the avoidance of doubt, OCP for the purposes of this adjustment shall be the Conversion Price applicable on the relevant Conversion Date in respect of any conversion to which this adjustment is applicable;

CP (or Conversion Premium) = 44.06 per cent. expressed as a fraction;

c = the number of days from and including the date the Change of Control occurs to but excluding the Maturity Date; and

t = the number of days from and including the Issue Date to but excluding the Maturity Date.

Ranking of
Conversion Shares:

The Conversion Shares will be fully paid and will in all respects rank *pari passu* with the fully paid Shares in issue on the relevant registration date except for any right excluded by mandatory provisions of applicable law and except that such Conversion Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record or other due date for the establishment of entitlement for which falls prior to the relevant registration date.

Redemption at Maturity:

Unless previously redeemed, converted or purchased and cancelled, the Company will redeem each Bond at its principal amount on the Maturity Date.

Redemption for
Taxation Reasons:

The Company may redeem all and not some only of the Bonds, at its option, at any time, on giving not less than 30 nor more than 60 days' notice (a "**Tax Redemption Notice**") to the trustee or the principal agent of the Bonds in writing and to the Bondholders in accordance with the Terms and Conditions (which notice shall be irrevocable), on the date specified in the Tax Redemption Notice for redemption (the "**Tax Redemption Date**") at its principal amount, if the Company satisfies the trustee of the Bonds immediately prior to the giving of such notice that (a) the Company has or will become obliged to pay additional tax amounts as provided or referred to in the Terms and Conditions as result of any change in, or amendment to, the laws or regulations of the PRC or the Cayman Islands, or, in each case, any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after January 7, 2021, and (b) such obligation cannot be avoided by the Company taking reasonable measures available to it, provided that no Tax Redemption Notice shall be given earlier than 90 days prior to the earliest date on which the Company would be obliged to pay such additional tax amounts were a payment in respect of the Bonds then due.

If the Company gives a Tax Redemption Notice pursuant to the condition on redemption for taxation reasons, each Bondholder will have the right to elect that his Bond(s) shall not be redeemed and that the provisions on the condition of taxation shall not apply in respect of any payment of principal, premium (if any) or interest (if any) to be made in respect of such Bond(s) which falls due after the relevant Tax Redemption Date, whereupon no additional amounts shall be payable by the Company in respect thereof pursuant to the condition on taxation and payment of all amounts by the Company to such holder in respect of such Bond(s) shall be made subject to the deduction or withholding of any tax required to be deducted or withheld.

Redemption at the Option
of the Company:

On giving not less than 30 nor more than 60 days' notice (the "**Optional Redemption Notice**") to the trustee or the principal agent of the Bonds in writing, and to the Bondholders in accordance with the Terms and Conditions, the Company may redeem all and not some only of the Bonds on the date (the "**Optional Redemption Date**") specified in the Optional Redemption Notice at their principal amount:

- (i) at any time after January 22, 2024, provided that the Closing Price of a Share (translated into US\$ at the prevailing rate), for 20 out of 30 consecutive trading days, the last of which occurs not more than 5 trading days prior to the date of the Optional Redemption Notice, was at least 125 per cent. of the Conversion Price (translated into US\$ at the Fixed Exchange Rate) then in effect for each of the 20 trading days; or
- (ii) at any time if, prior to the date the relevant Optional Redemption Notice is given, Conversion Rights shall have been exercised and/or purchases (and corresponding cancellations) and/or redemptions effected in respect of 90 per cent. or more in principal amount of the Bonds originally issued (which shall for this purpose include any further Bonds issued pursuant to the Terms and Conditions).

Redemption for Delisting
or Change of Control:

Following the occurrence of a Relevant Event, the holder of each Bond will have the right at such holder's option, to require the Company to redeem all or some only of such holder's Bonds on the Relevant Event Put Date at their principal amount. To exercise such right, the holder of the relevant Bond must deposit during normal business hours (being between 9:00 a.m. and 3:00 p.m. on a business day) at the specified office of any paying agent a duly completed and signed notice of redemption, in the form for the time being current, obtainable during normal business hours (being between 9:00 a.m. and 3:00 p.m. on a business day) from the specified office of any paying agent (a "**Relevant Event Put Exercise Notice**"), together with the certificate evidencing the Bonds to be redeemed by not later than 60 days following a Relevant Event, or, if later, 60 days following the date upon which notice thereof is given to Bondholders by the Company in accordance with the Terms and Conditions. The "**Relevant Event Put Date**" shall be the fourteenth day after the expiry of such period of 60 days as referred to above.

A Relevant Event Put Exercise Notice, once delivered, shall be irrevocable and may not be withdrawn without the Company's consent.

Within 14 days after it becomes aware of the occurrence of a Relevant Event, the Company shall give notice thereof to the trustee or the principal agent of the Bonds in writing and to the Bondholders in accordance with the Terms and Conditions. The notice regarding the Relevant Event shall contain a statement informing Bondholders of their entitlement to exercise their conversion rights and their entitlement to exercise their rights to require redemption of their Bonds pursuant to the Terms and Conditions.

Redemption at the Option
of the Bondholders:

On January 22, 2024 (the “**Optional Put Date**”), the holder of each Bond will have the right at such holder’s option, to require the Company to redeem all or some only of the Bonds of such holder on the Optional Put Date at their principal amount. To exercise such right, the Bondholder must complete, sign and deposit with any paying agent a duly completed and signed notice of redemption (“**Optional Put Exercise Notice**”) together with the certificate evidencing the Bonds to be redeemed not earlier than 60 days and not later than 30 days prior to the Optional Put Date.

An Optional Put Exercise Notice, once delivered, shall be irrevocable and may not be withdrawn unless the Company consents in writing to such withdrawal.

CONVERSION PRICE AND CONVERSION SHARES

The initial Conversion Price is HK\$60.00 per Conversion Share, which represents:

- (a) a premium of approximately 44.06 per cent. over the Closing Price of HK\$41.65 as quoted on the Stock Exchange on January 7, 2021 (being the last trading day before the Subscription Agreement was entered into);
- (b) a premium of approximately 51.63 per cent. over HK\$39.57, being the average of the Closing Price per Share as quoted on the Stock Exchange for the last five consecutive trading days up to and including January 7, 2021; and

The Conversion Price was determined with reference to the prevailing market price of the Shares and the Terms and Conditions (including the redemption options) and was negotiated on an arm’s length basis between the Company and the Manager after a book-building exercise. The Directors consider that the Conversion Price is fair and reasonable based on the current market conditions and in the interests of the Company and the Shareholders as a whole.

The Bonds may be converted into Conversion Shares pursuant to the Terms and Conditions. Assuming full conversion of the Bonds at the initial Conversion Price of HK\$60.00 per Share and no further issue of Shares, the Bonds will be convertible into 77,529,000 Shares, representing approximately 1.31% of the issued share capital of the Company as at the date of this announcement and approximately 1.29% of the issued share capital of the Company as at the date of this announcement as enlarged by the issue of the Conversion Shares upon full conversion of the Bonds. The Conversion Shares to be issued upon conversion of the Bonds will rank *pari passu* and carry the same rights and privileges in all respects with the Shares then in issue on the relevant registration date.
